

The **HealthcareSource eLearning Library<sup>SM</sup>** transforms learning by providing readily-available online resources to meet your pressing educational needs. Comprised of **more than 5,000 courses** and **over 2,500 continuing education credits**, the eLearning Library is an efficient, effective way to deliver clinical and non-clinical content to your learners, at times that best meet their demanding schedules.

#### Seamless Delivery of Courses

All courses undergo rigorous compatibility and reliability testing prior to implementation in HealthcareSource NetLearning®.

#### No Added Fees for Updating Licensed Courses

Our content team ensures you receive updated guidelines or emerging industry trends.

#### Built-In Competency Exams

Learners can self-assess as they go to identify areas of strength and opportunities for growth.

#### Increase Efficiency

Online catalog accessible through NetLearning.

#### Content Management

View all licensed courseware, remaining course licenses available, and dates they expire.

#### Curated Catalog

We conduct primary research for content best suitable for our customers.

## SIMPLIFY COMPLIANCE HEALTHCARE

# HealthcareSource Courseware Partner

**Simplify Compliance Healthcare** is a trusted partner of HealthcareSource. Simplify Compliance Healthcare provides solution-focused information and intelligence to achieve compliance, financial performance, leadership, and organizational excellence.

Simplify Compliance, LLC, has merged with existing brands DecisionHealth, LLC and HCPro to form Simplify Compliance Healthcare. By bringing together industry-leading and award-winning tools, experts and thought leadership, Simplify Compliance Healthcare offers the healthcare industry a depth of knowledge, insight and solution set not found anywhere else.

## HCPro

HCPro, part of Simplify Compliance Healthcare, is a leading provider of integrated information, education, training, and consulting in the vital areas of healthcare regulation and compliance. HCPro focuses on providing its clients assistance and expertise in the areas of long-term care, accreditation, medical staff affairs, credentialing, privileging, medical record management, regulatory compliance, nursing, quality/patient safety, infection control, and workplace safety.

## DecisionHealth

*Financial health for healthcare*

DecisionHealth, part of Simplify Compliance Healthcare, provides publications, software, and educational events that help providers with issues impacting their revenue cycle – from patient intake to coding, billing, and denials management.
